BREEDER'S CUP is a Competition where a breeder presents three of their breeding, (same breed), as a team. Each exhibit must have a separate handler and one of the handlers **MUST** be the Breeder of Record for all three. The team does not have to be littermates, nor does the breeder need to be the owner. They need not be intact. They are judged on conformation, consistency and homogeneity of the team as befitting a breeding program. **MISC. & FSS BREEDS ARE ELIGIBLE TO COMPETE.** Please supply standard when registering.. **A TROPHY WILL BE OFFERED.**
